

MARISA POSADA

Visual UX/UI Web Senior Designer
2D Animator
FrontEnd Developer Jr.

ABOUT ME

Hi,

I have a degree in Arts and Graphic Design from the Pontificia Universidad Católica del Perú. and also I hold a Master in Animation from Pompeu Fabra University and a Master in Visual Arts & Education from Barcelona University.

I have extensive professional experience in visual, web and UX/UI design roles in several companies.

This experience has taught me the skills required for successful interactions within multidisciplinary teams.
